Do you have a child with developmental delays or disabilities but aren't sure what services are out there to help your child?

Have you heard about DDA services, but are not sure what they are or how to apply?

Are you already a client of DDA, but aren't sure what services are available or how to access them?

Are you having trouble finding contracted providers?

If you answered yes to any of these questions, join us!

We will have representatives from DDA and local providers that can help you get the services you need.
